one-on-one counseling

Backed by deep expertise in paid media, Sublime PPC offers tailored, one-on-one consulting for DTC and ecommerce brands of all sizes – from fast-growing startups to established businesses. We focus on measurable growth and long-term success through data-driven strategy. Let's talk about how we can scale your brand together.

business growth strategies

SublimePPC exists to solve the critical issues facing our clients, both large and small. Our unique approach is not only what differentiates us, but also what makes us successful. We provide a broad range of services and solutions to help organizations facilitate change, achieve their vision and optimize performance and productivity.

profit maximisation techniques

Maximize return on ad spend and unlock profitable growth with expertly managed Google Ads and Bing Ads campaigns. This service is built for ecommerce and DTC brands looking to scale efficiently, with a sharp focus on ROI, conversion rates, and long-term performance. From account audits to full-funnel strategy and execution – we drive results, not just traffic. Clients success rates rise above 350% ROAS.

CONTACT ME

Anja Gacic is a dedicated and highly experienced marketing specialist based in Prague. With 20 years in the industry and expertise in six languages, she helps businesses grow by going beyond expectations—optimizing websites, refining ad strategies, and ensuring every campaign is backed by data.

Unlike agencies that outsource, Anja works hands-on with clients, offering transparency, flexibility, and measurable results.

what customers say

KAMILA KINGSTON

BEAUTY PRODUCTS

Anja is, simply put, amazing. I love the quality of her work. From managing ads (Facebook and Google), posting insightful content, and directing traffic towards our website, she has proved to be a valuable resource for our business. I can't recommend her enough.

GUY PAILLE

BABY PRODUCTS

Anja is a fantastic team player and she's very smart. She's a top gun PPC campaign manager! Thanks, Guy

ITAI

REAL ESTATE

She did an amazing job editing my Google Ads campaigns for my real estate business. Anja is highly professional and I would highly recommend her for anyone experiencing issues with Google Ads.

LOGO DESIGN

The logo emphasises professionalism, transparency, and **a modern approach to digital marketing**. The logo is designed to be clean, geometric, and clear, aligning with the client's preference for structured visuals while maintaining a friendly and approachable feel.

The word "sublime" features a playful yet sophisticated contrast, where "me" is italicised, adding a personal touch that signifies her **dedication and unique, hands-on approach**.

OTHER PLATFORMS

COLOUR PALETTE

ROYAL BLUE

Conveys trust, stability, and professionalism. This reflects the structured, results-oriented aspect of her work.

#042C60

FIERY PINK

Is not just an eye-catching contrast—it's a personal signature. The client has pink hair, making this her unique, recognizable color. This adds a personal and authentic touch to her branding, reinforcing her friendly, open, and approachable personality while still standing out as an expert in the field.

#CB3D84

ALMOST WHITE

The dual background symbolizes the balance between data-driven precision and a friendly, personalized client experience.
